

Staying Safe At KU

The number one crime on campus is theft. Here are a few tips that will help you avoid becoming a victim of theft:

- 🔔 Do not leave items unattended. Backpacks and books left on a table or bench are easy targets.
- 🔔 Always lock your residence hall room door. Thefts happen in the residence halls each year because the resident left their door unlocked while visiting with another resident.
- 🔔 Use the free lockers at Ambler Student Recreation Center to lock all valuables up while you play.
- 🔔 Lock your vehicle doors and put all valuables out of view. If your vehicle's stereo has a detachable face, remove the faceplate.
- 🔔 Record all of your items serial numbers or engrave your items with a number you will remember. Engravers are available to check out at the KU Public Safety Office's front desk.
- 🔔 Lock your bicycle by placing a good quality U-lock through the frame and at least one wheel.
- 🔔 Do not carry anything attached to your key ring that indicates where you live. If your keys are lost or stolen, the thief would know where the keys fit.
