- 🔔 Look around your vehicle when walking toward it. If you see anyone in the area of your vehicle that makes you uncomfortable, do not go to it; turn around! Also make sure to lock your vehicle doors. This will help protect your valuables.
- 🔔 Have the keys to your vehicle or residence in your hand before getting to the door. This reduces the time you are standing at a locked door searching for your keys.
- 🔔 Be alert and keep looking around while using ATMs and cell phones.
- 🔔 Carry your purse or backpack close to your body and have a tight grip. If you are robbed, give them what they want and walk away.
- 🔔 If someone makes you feel uncomfortable or the situation does not seem right, trust your instincts and leave.
- 🔔 When at a bar or a party do not take an opened or poured beverage from a stranger, and do not drink from a beverage that has been left unattended. Watch your drink being made.
