

Property Theft

The Number one crime on campus is **Theft**. Property that is unsecured or left unattended is most at risk. Do not become a victim of theft.

- 🔔 Never leave your backpack, books or other personal items unattended in a public place.
- 🔔 Keep your residence or residence hall locked when you are away, even for a short time. Lock the doors and close the windows on your car.
- 🔔 Do not carry anything attached to your key ring that indicates your address. If your keys are lost or stolen, someone would know where the key fits.
- 🔔 Do not carry your driver's license or other form of ID inside your checkbook. If your check book gets lost or stolen, someone would have access to your identification.
- 🔔 Engrave your property with your driver's license number and state of issue. Engravers may be borrowed from the KUPSO or the residence hall front desk. Do not use your Social Security Number.
- 🔔 Lock your bicycle by placing a good quality U-lock through the frame and the front wheel.
